

Duet from "Call Me Madam"

"You're just in love"

All sing first verse:

I hear singing and there's no one there.
I smell blossoms and the trees are bare.
All day long I seem to walk on air
I wonder why, I wonder why.
I keep tossing in my sleep at night
And what's more I've lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes, I wonder why.

Ladies only.

You don't need analysing, It is not so surprising,
That you feel very strange but nice.
Your heart goes pitter patter, I know just what's the matter
Because I've been there once or twice.
Put your head on my shoulder, You need someone who's older
A rub down with a velvet glove,
There is nothing you can take, to relieve that pleasant ache,
Your not sick you're just in love.

Men now sing first verse while ladies sing second verse.
